16th Annual
Garden Fair
Sweetwater Oaks Garden Club

Dear Friends of Sweetwater Oaks Garden Fair,

The Sweetwater Oaks Garden Club is pleased to announce that we once again will be presenting our Annual Garden Fair on March 4 and March 5, 2023. As you were aware, we were unable to hold the garden fair in 2022 due to the Covid-19 epidemic. We are excited about the opportunity to again open this popular event to our community.

Since the inception of the SWOGC Garden Fair in 2005, more than \$140,000 in scholarships have been awarded to the University of Florida horticulture students and local student campers at Wekiva Youth Camp. As an important part of our community, your support for our 2022 Annual Sweetwater Oaks Garden Fair will demonstrate your commitment to our community and will help us support these local student scholarships and other worthwhile Garden Club projects.

This is an exciting opportunity for you to be “recognized as a Friend” of our scholarship efforts and this popular event. The Friends level donation is only \$100, but we will gladly accept donations at any level.
